Stock Level

21/10/2026 11:25 am BST

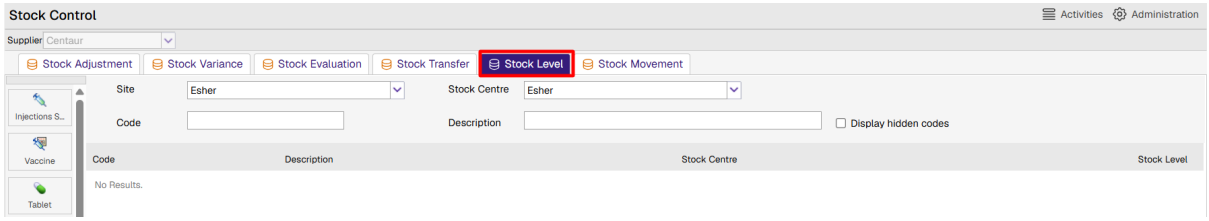

Summary

This screen displays the current stock levels for specified codes/treatment types.

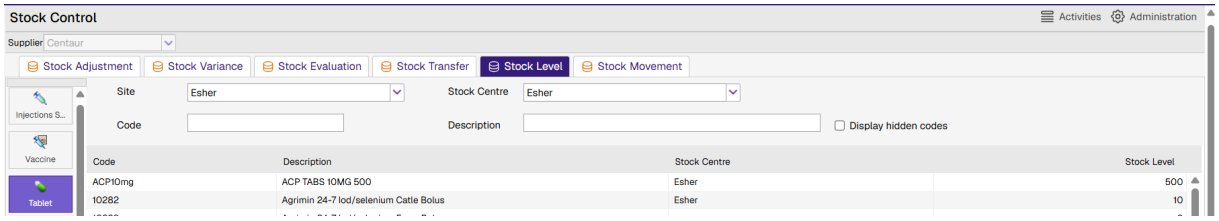

Details

Viewing Stock Levels

1. Navigate to Inventory via the Primary Navigation on the left-hand side and select'Stock Control'. Ensure the 'Stock Level' tab is selected.

2. Ensure you have selected the correct Supplier from the drop-down list (this will default to your main supplier).
3. Select a Treatment Type from the left-hand menu, or use the 'Description' box.
4. Stock is displayed. This can be filtered using the fields provided.

Note: No edits can be made within Stock Level, it is for viewing purpose only.
